“Christmas Being Delivered Early This Year”

Greenville, S.C. (December 14, 2009) – Over 1300 Meals on Wheels client’s will receive a special Christmas package this week with one of their meals. Each package has 5 pieces of fruit, sugar free candy and a Happy Holidays message from friends at Meals on Wheels.

The bags were made possible through a generous donation of all of the fruit from Francis Produce and sugar free candy from several individual and businesses in the community. Close to 25 volunteers, ranging from corporate partners such as Baldor Electric, Walmart and Interim Healthcare to friends and families, helped to assemble the bags.

“During this special time of year, we are pleased to be able to share a gift with our clients and let them know they are thought of during the holiday season” said Liz Seman, Executive Director for Meals on Wheels.

Meals on Wheels enhances the quality of life of homebound individuals by providing nutritious meals, personal contact and related services.
