Meals on Wheels “Project Transit Connect” receives Community Enrichment Grant

Greenville, S.C. – Meals on Wheels was awarded a Community Enrichment grant from the Community Foundation of Greenville for “Project Transit Connect”. This new project will target the Taylors, Furman, Travelers Rest and Berea areas and will fund a part-time driver, cargo van, and needed equipment to transport meals to designated “pick up stations. Project Transit Connect allows Meals on Wheels to reach out to more individuals in Greenville County.

Liz Seman, Meals on Wheels Executive Director, shared “We are so grateful to have the support from the Community Foundation for our project. We look to increase our client base in the Taylors, Furman, Travelers Rest and Berea areas and further our mission of helping the homebound of Greenville County”.

Meals on Wheels enhances the quality of life of homebound individuals by providing nutritious meals, personal contact and related services. Meals on Wheels is not a United Way funded agency, but is supported by contributions from individuals, churches, civic groups, corporations, grants and foundations.
