**Meals on Wheels of Greenville Awarded Subaru “Share the Love” Grant
*Funds to Feed Seniors in Need this Holiday Season***

(Greenville, SC) – Meals on Wheels of Greenville is pleased to announce that they have been awarded a \$1,000 grant from Subaru of America, Inc. and Meals On Wheels Association of America (MOWAA) as part of Subaru’s “Share the Love” campaign. The grant funding will help Meals on Wheels serve nutritious meals to seniors in need during the month of December 2009. Meals on Wheels prepares and delivers 1,500 meals each day to homebound neighbors throughout Greenville County.

“This is the season of giving and we are so thankful that Subaru has decided to give back to our program to help us deliver meals to our clients for the holidays,” said Executive Director Liz Seman. “This grant truly is a gift.”

Subaru, which was the only auto manufacturer with a sales increase in 2008 and continues to outpace the industry with record-breaking sales, will continue its mission to give back to charities in need. The “Share the Love” campaign will run from November 21, 2009 to January 4, 2010.

“Many of our Meals On Wheels programs across the country are struggling to provide meals in this down economy,” said Enid Borden, President and CEO of Meals On Wheels Association of America (MOWAA). “We can’t thank Subaru enough for understanding that their support will help us provide the next meal ‘so no senior goes hungry.’”

About Meals on Wheels of Greenville: Meals on Wheels enhances the quality of life of homebound individuals by providing nutritious meals, personal contact and related services. Meals on Wheels is not a United Way funded agency, but is supported by contributions from individuals, churches, civic groups, corporations, grants and foundations. For more information call 233-6565 or go to www.mealsonwheelsgreenville.org.

About Meals on Wheels Association of America: Meals on Wheels Association of America (MOWAA) works every day with thousands of local Meals on Wheels programs and hundreds of thousands of volunteers who all share in the mission to end senior hunger. The organization provides the tools and information its programs need to make a difference in the lives of others. It also gives cash grants to local senior meal programs throughout the country to assist in provid-

ing meals and other nutrition services. Visit: www.mowaa.org

About Subaru of America, Inc.: Subaru of America, Inc. is a wholly owned subsidiary of Fuji Heavy Industries Ltd. Of Japan. Headquartered in Cherry Hill, N.J., the company markets and distributes Subaru Symmetrical All-Wheel Drive vehicles, parts and accessories through a network of approximately 600 dealers across the United States. Subaru boasts the most fuel efficient line-up of all-wheel drive products sold in the market today based on Environmental Protection Agency (EPA) fuel economy standards. All Subaru products are manufactured in zero-landfill production plants and Subaru of Indiana Automotive Inc. is the only U.S. automobile production plant to be designated a backyard wildlife Habitat by the National Wildlife Federation.
